Aanya Joshi

INTERACTION DESIGN INTERN

Emerging product designer focused on clear, accessible and responsive digital experiences. Comfortable moving from discovery and user flows to wireframes, prototypes and polished interface specifications.

candidate36@example.test | +91-555-010-036 | Sample City, India | Portfolio / LinkedIn: available on request
Target category: UI/UX **Experience:** 2 year(s) **Education:** B.Des. Communication Design — Coastal School of Engineering

PROFESSIONAL EXPERIENCE

- Interaction Design Intern | Community Design Initiative
- Translated a product brief into user goals, primary journeys and a prioritised screen list.
- Created low- and high-fidelity layouts in Figma using Auto Layout, reusable components and consistent spacing.
- Built interactive prototypes to demonstrate navigation, form states, feedback and responsive behaviour.
- Collected participant feedback, documented usability observations and iterated on the design.

SELECTED PROJECT

- Personal finance onboarding flow
- Mapped a first-time user journey and identified confusing setup steps.
- Produced wireframes and a high-fidelity prototype with error and confirmation states.
- Documented interaction behaviour and tested the flow with participants.

CORE SKILLS

- Framer
- Figma
- Landing page design
- Mobile-first layouts
- Micro-interactions
- Component variants
- WCAG awareness
- Design documentation

EDUCATION & DEVELOPMENT

- B.Des. Communication Design — Coastal School of Engineering
- Relevant study and applied work in the candidate's stated discipline.

SELECTED CONTRIBUTIONS

- Produced a consistent component library for key screens.
- Used feedback to simplify task completion and improve label clarity.
- Considered keyboard focus, contrast and readable type sizes during design review.
