Aditi Menon

PRODUCT DESIGN INTERN

Emerging product designer focused on clear, accessible and responsive digital experiences. Comfortable moving from discovery and user flows to wireframes, prototypes and polished interface specifications.

candidate22@example.test | +91-555-010-022 | Sample City, India | Portfolio / LinkedIn: available on request
Target category: UI/UX **Experience:** 0 year(s) **Education:** B.Sc. Interaction Design — National Centre for Sustainable Systems

PROFESSIONAL EXPERIENCE

- Product Design Intern | Independent Design Practice
- Translated a product brief into user goals, primary journeys and a prioritised screen list.
- Designed desktop and mobile variants with reusable components, text styles, colour tokens and layout grids.
- Built interactive prototypes to demonstrate navigation, form states, feedback and responsive behaviour.
- Collected participant feedback, documented usability observations and iterated on the design.

SELECTED PROJECT

- Local commerce responsive storefront
- Designed product listing, detail and checkout screens for mobile and desktop.
- Created reusable buttons, input states, cards and spacing tokens in Figma.
- Prototyped filters and cart states and prepared developer handoff notes.

CORE SKILLS

- User research
- Usability testing
- Information architecture
- Personas
- Journey mapping
- Figma components
- Accessibility
- Design critique

EDUCATION & DEVELOPMENT

- B.Sc. Interaction Design — National Centre for Sustainable Systems
- Relevant study and applied work in the candidate's stated discipline.

SELECTED CONTRIBUTIONS

- Produced a consistent component library for key screens.
- Used feedback to simplify task completion and improve label clarity.
- Considered keyboard focus, contrast and readable type sizes during design review.
