Kunal Shah

UI/UX DESIGN INTERN

Emerging product designer focused on clear, accessible and responsive digital experiences. Comfortable moving from discovery and user flows to wireframes, prototypes and polished interface specifications.

PROFILE STATEMENT / CAREER DIRECTION

candidate21@example.test | +91-555-010-021 | Sample City, India | Portfolio / LinkedIn: available on request
Target category: UI/UX **Experience:** 0 year(s) **Education:** B.Des. Communication Design — Coastal School of Engineering

SELECTED WORK & EVIDENCE

- Campus services mobile experience
- Interviewed student volunteers to understand timetable and facility-booking pain points.
- Created task flows, wireframes and a clickable Figma prototype.
- Ran usability checks and revised navigation labels and form feedback.

WHAT I BRING

- Produced a consistent component library for key screens.
- Used feedback to simplify task completion and improve label clarity.
- Considered keyboard focus, contrast and readable type sizes during design review.

CAPABILITIES

- Figma
- Framer
- Wireframing
- Interactive prototyping
- User flows
- Responsive design
- Auto Layout
- Design systems

EXPERIENCE

- UI/UX Design Intern | Academic Studio Project
- Reviewed comparable products and captured patterns in navigation, onboarding and content hierarchy.
- Created low- and high-fidelity layouts in Figma using Auto Layout, reusable components and consistent spacing.
- Built interactive prototypes to demonstrate navigation, form states, feedback and responsive behaviour.
- Collected participant feedback, documented usability observations and iterated on the design.

EDUCATION

- B.Des. Communication Design — Coastal School of Engineering
