Myra Kapoor

JUNIOR PRODUCT DESIGNER

Emerging product designer focused on clear, accessible and responsive digital experiences. Comfortable moving from discovery and user flows to wireframes, prototypes and polished interface specifications.

PROFILE STATEMENT / CAREER DIRECTION

candidate28@example.test | +91-555-010-028 | Sample City, India | Portfolio / LinkedIn: available on request
Target category: UI/UX **Experience:** 0 year(s) **Education:** Diploma in UI/UX Design — Riverbend University

SELECTED WORK & EVIDENCE

- Personal finance onboarding flow
- Mapped a first-time user journey and identified confusing setup steps.
- Produced wireframes and a high-fidelity prototype with error and confirmation states.
- Documented interaction behaviour and tested the flow with participants.

WHAT I BRING

- Produced a consistent component library for key screens.
- Used feedback to simplify task completion and improve label clarity.
- Considered keyboard focus, contrast and readable type sizes during design review.

CAPABILITIES

- Framer
- Figma
- Landing page design
- Mobile-first layouts
- Micro-interactions
- Component variants
- WCAG awareness
- Design documentation

EXPERIENCE

- Junior Product Designer | Community Design Initiative
- Translated a product brief into user goals, primary journeys and a prioritised screen list.
- Created low- and high-fidelity layouts in Figma using Auto Layout, reusable components and consistent spacing.
- Built interactive prototypes to demonstrate navigation, form states, feedback and responsive behaviour.
- Collected participant feedback, documented usability observations and iterated on the design.

EDUCATION

- Diploma in UI/UX Design — Riverbend University
